AUTUMN / WINTER CATALOGUE 1994

# WELCOME TO YOUR GUIDE TO GREAT VALUE

If you change your mind and decide that a product you have bought does not meet your exact requirements, we offer you the opportunity of returning it within 16 days of purchase, for a full refund or exchange.

We simply ask that it is returned in its original and unspoilt condition, with its original wrapping and your receipt. Please note this promise does not apply to earrings for pierced ears, food products, camcorders, pre-recorded music or videos, computer software, fresh flowers or Christmas decorations. This guarantee does not affect your statutory rights.

This Superstore catalogue contains all the products which are available from our Traditional Argos stores, plus an additional 2,800 lines which are exclusive to Superstores. To make it easier for you to find what you want, we have combined our Traditional and

Superstore ranges so you can see the full range Argos has to offer.

Products marked by these symbols are exclusive to our Superstores, and are not available from Traditional Argos stores.

Please see the back of the catalogue for your nearest Argos Superstore.

## How to shop Shopping is simple:

- 1 Write the catalogue number and the quantity of the goods you require on a selection form (there are some included in this catalogue as well as in-store).
- 2 Take the form to a service point.
- 3 Whilst you are paying, your goods will be brought to the collection counter ready for you to collect. Some of our larger items can also be ordered by telephone and delivered to your door. Please see page 678 for details.

### PLEASE NOTE:

\*Some of the goods which are shown in the catalogue may vary slightly if a supplier has changed or altered their specifications after the catalogue has been printed. If this should happen, we will try to help by offering you alternative goods of a similar specification and value to your original choice.

\*All sizes are approximate.  
\*Please check the in-store catalogue before ordering.  
\*Under exceptional circumstances, we may have to make adjustments to our prices stated in the catalogue (which include VAT at 17.5%).  
\*All items are subject to availability.

### Tax Free Shopping

Overseas visitors may qualify for Tax Free shopping, saving on the cost of their purchase. Customers from countries

within the European Community cannot reclaim VAT. Please ask in-store for details.

# WAYS TO PAY

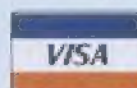

## Debit Cards

You can pay for your purchase with either of the debit cards shown.

## Cash, Cheque or Credit Card

You can pay for your purchase with cash, or any one of the credit cards below. You can also pay by cheque and if you have a valid cheque card, we will give you immediate clearance on cheques up to £500 (subject to status, you may also need additional identification).

## Argos Personal Account

With the Argos Personal Account you can afford what you want now, and then spread your payments over time. Please ask in-store for details. APR 27.8%† (Subject to variation).

†When payment is made by Direct Debit. A written quotation is available on request.

## Up to £1,000 Instant Credit\*

Please ask in-store for details. \*Subject to status. Available to most adults. Argos is a licensed credit broker.

## Premier Points

You can also pay by redeeming your Premier Points. See page 679.

## Argos Gift Vouchers

Ideal for a gift or special occasion. See page 679.

We also accept Provident and Choice Shopping Vouchers.

# EXTENDED GUARANTEES

Nothing in life is certain and whilst we always endeavour to provide you with the best quality products we would recommend that you take out an Extended Guarantee for extra peace of mind.

Extended Guarantees work very simply by providing:

- Cover for repair costs after the first year.
- A choice of either 3 or 5 years\* cover.
- Renewable cover and affordable prices.

They cover both parts and labour costs due to faulty workmanship or materials used in manufacture. Our full range and list of prices is shown opposite.

\*A 5-year guarantee extends the 12 months manufacturer's guarantee for a further 2 years to a total of 3 years. A 5-year guarantee extends the manufacturer's guarantee for a further 4 years to a total of 5 years, after the date of purchase.

The above guarantees do not affect your statutory rights. Extended Guarantees are underwritten by Cornhill Insurance plc.

## How to Purchase

Buying an Extended Guarantee is simple, and can be done at the same time as buying any other Argos product.

- 1 Fill in the appropriate catalogue number on a selection form.
- 2 Take the form to a service point.
- 3 After paying, you will be directed to the collection counter where a member of staff will take all the necessary details to complete your insurance cover.
- 4 You will then be given a copy of the agreement to keep. This will also tell you what to do if you need to make a claim.

## Free Accidental Damage Cover

We also offer FREE first year accidental damage cover on all the items shown below (except camcorders). To apply simply pick up a leaflet in-store. If you do buy an Extended Guarantee, then we will automatically include the free accidental damage cover.

(3) and 5 year cover includes initial manufacturer's guarantee, usually 1 year.  
\*(2 yr) denotes a 2 year manufacturer's guarantee.  
Please read details above before purchasing.

### PLEASE NOTE:

You must purchase Extended Guarantee cover within 30 days of purchasing the item to be covered. If you have any queries about your insurance cover, please use the Cornhill Insurance helpline 0892 515414 during normal office hours. Unfortunately we cannot insure items for commercial use. Please ask in-store for full terms and conditions.

See pages 410-412 for our range of Christmas Decorations.

Keys 1-14, 17, 24, 27 and 32 have stainless steel case backs.

Watches that are designed splash proof are suitable for wearing whilst water is being splashed but NOT under any pressure ie swimming and showering.

Watches that are designed water resistant are suitable for wearing whilst swimming for a short period.

All quartz watches are dependant on batteries for their power source.

Our suppliers adopt a policy of continuous improvement. Hence there may be, during the life of the catalogue, minor variations in models, specifications and colours.

Item no 29 is a Mechanical Movement Watch. No batteries required. Needs daily winding.

**CHRONOGRAPHS** - from just \$234.48  
Features normal time and basic  
stopwatch timers. For more  
information about chronograph  
watches, ask in-store for details.

Matches that are designated splash proof are suitable for wearing whilst water is being splashed on NOT under any pressure or swimming and showering.

Materials designated water-resistant are suitable for wearing in all seasons for a short period.

All quartz watches are dependent  
batteries for their power source.

Our suppliers adopt a policy of continuous improvement. Hence there may be, during the life of the catalogue, minor variations in models, specifications and colours.

# Telephones

PHONE DAY

All Argos telephones are compatible with the national code change scheme due on April 16th 1995.

## MERCURY

You can now use the "Mercury" network from your home via a British Telecom line. For a small annual fee you will receive your own PIN code giving you access to cheaper long distance and international calls. A "Mercury" button will allow one-touch dialling into the Mercury system. Other "Mercury compatible" telephones enable programming of the sequence into a normal memory.

Please phone the Mercury Helpline 9500 500 194 for further details.

## EXTENDED WARRANTIES

1 and 5 year Extended Guarantees available, see page 8.

3 Year Cover  
Telephone: 085 0207 114.50  
Telephone & Answering Machine: 085 0221 134.50

5 Year Cover  
Telephone: 085 0702 123.50  
Telephone & Answering Machine: 085 0726 127.99

\*Touch Tone is BT registered Trade Mark.

\*Correct at time of going to print.

Please ring during normal office hours.

Argos offers a wide range of telephones and to help you choose, we have explained the features available. All Argos phones need a

## Features Guide

### Memories

You can store your frequently used or important numbers, and recall them at the touch of a button or two.

### Last Number Re-dial

The telephone can automatically re-dial the last number you dialled, which is very useful when a number is engaged.

### Mute (Secret) Button

This allows you to speak to other people in the room without being overheard by your telephone caller.

### On-Hook Dialling/Hands Free Speech

"On-Hook Dialling" enables you to dial without lifting the receiver. A speaker allows you to hear when the phone is answered, then you simply pick up the handset to speak. "Hands Free Speech" allows you to speak and listen with the receiver still in place.

### Ring Equivalent Number (REN)

The number of telephones you can connect to a line is determined by the REN of each telephone. The maximum total REN for a telephone line is 4.

### Volume Control

This allows you to adjust the volume of the telephone ring.

### PABX

PABX compatible telephones can be used with most PBX exchange or switchboard systems. Please see the manufacturer's instructions, or use the helplines for further details.

### Cordless Phones

Cordless phones allow you to receive or make calls around the home and even in the garden. You can page

ping-in type socket. If you do not have this type of socket, contact British Telecom and enquire about conversion.

the handset (or user) from the base unit, and some also have an Intercom between the base unit and the handset.

The base unit must be connected to a mains supply as well as an approved telephone socket. The handset recharges whilst it is in the base unit. A battery back-up enables the telephone to be used during a power cut. The quality of reception is unlikely to be as clear as with a conventional telephone as they are susceptible to interference from other cordless phones and radio transmissions, especially over long distances and obstructions (walls or doors).

Cordless phones operate on 8 different channels - as marked on the box. Dual channel telephones have 2 channel options so you can switch the handset and base unit to an alternative channel.

8 Channel Automatic Scanning - cordless telephones will scan all of the 8 available channels to provide the best reception when a call is made. Should interference occur during the course of a call the operating channel can be changed by pushing a button on the handset.

Comander/Digital Noise Reduction - is now available on many newer cordless phones offering improved reception by filtering out background noise. Cordless phones are also available as combination units with an answering machine or speakerphone in the base.

### Network Services

If you have a dual signalling (Pulse/Tone) or Touch Tone telephone, you may be able to use the new BT "Network Services" including call diversion, 3-way calling, reminder calls and call waiting. These additional services are available from BT for a quarterly rental charge, please contact your local BT office for further information.

## GRAPHIC SCIENTIFIC CALCULATORS

16 £59.00

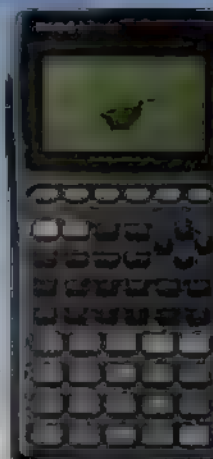

17 £69.50

18 £89.00

19 £95.00

**SCIENTIFIC CALCULATORS**  
All scientific calculators have an LCD display. Mathematical functions include percentage, square root and memory. Algebraic logic is used for calculation.

**GRAPHIC SCIENTIFIC**  
These calculators, in addition to being programmable, provide the facility for data to be presented graphically through the medium of multi-dot matrix, high resolution LCD screens.

**PROGRAMMABLE**  
Item numbers 15 to 19 feature character by line displays that give instant graphic representation of built-in functions and user generated formulas plus statistical graphs.

DAL = Direct Algebraic Logic.

V.P.A.M. = Visually Perfect Algebraic Method.

We offer an after sales Repair Service, please see page 676 for details.

AOS = Algebraic Operating System.

EOS = Equation Operating System.

Item number 18 includes quadratic simultaneous equation facility.

Item number 19 includes dual graphics/plot screen dynamic graph facility.

Batteries are supplied unless otherwise stated.

## PRIMARY CALCULATOR

20 £12.50

**20 CASIO A24SF FRACTION CALCULATOR** 8 digit. Unique in design and function. Large LCD with two line output to show fractions on the screen in the manner in which they are written. Remainder function ideally suited as an educational aid for pupils at key stage 2 in their mathematics. Converts from proper to improper fractions from decimal to fraction and vice versa. Change sign key, hard disable key. Slide on hard cover. Batteries supplied. Cat No. 600/3700 £12.50

**Argos**  
Extended Guarantees are available on items which are used in the home, for business and personal use.

If you are building up your business, from an office or your home, you will be looking for the latest office equipment. At Argos we now sell a wide range of business equipment, and all at affordable prices. To help you with your choice we have explained some of the features relating to our range of Typewriters and Word Processors.

## Typewriter Features

**Correction Memory** enables you to correct up to two lines of current text, so if an error is made you can simply re-type and delete it. A **Text Memory** facility allows you to store information/text of varying amounts. This can range from 3 pages of text with 8-6k memory to 6 pages of text with a 128k memory capacity. A **Liquid Crystal Display (LCD)** allows you to review and edit text on screen before printing. A **Justification** facility allows documents to be produced with the right hand margin blocked so sentences are of equal proportion regardless of the number of words, giving a professional appearance. With a **Spellcheck** facility spelling mistakes can be checked, enabling documents to be free from spelling errors. A **Decimal Tabulation** facility automatically positions the carriage for alignment of numbers at the decimal point. The **Print Speed** of a typewriter is measured in **CPS** (characters per second) and the **Typing Pitch** designation represents the number of characters that can be typed per inch.

## Word Processors

Word Processors offer all the benefits of an advanced typewriter but with the additional features of larger displays and a bigger memory capacity. The memory of all our Word Processors can also be expanded by the use of an external 3 1/2 inch floppy disk.

## Features

Using the **Block Copy/Move/Delete** feature, blocks of text can be copied, moved or deleted to allow simple and quick editing. A **Search and Replace** facility enables editing of a specific word or phrase throughout a piece of text in one single operation.

using **Address/Mail Merge** a list of names and addresses can be merged with a letter, this enables you to provide personalised correspondence easily. If a word is misspelt the **AutoSpell** facility provides alternatives and automatically replaces them. **MS DOS File Format Compatibility** allows storage of information in DOS format to enable data exchange with PC's.

## Printing Formats

There are 3 printing formats available on our range of word processors. **Daisy Wheel** produces letter quality print at a speed of 13-15 characters per second. The type style can be changed by fitting an alternative daisy wheel. **Thermal Transfer** prints onto normal paper and is quieter and more flexible enabling a variety of fonts, styles and sizes to be produced. Draft and letter quality printing is possible at a faster speed than daisy wheel printing. **Bubble/Ink Jet** printing uses a non-impact method which forces ink onto the paper creating near laser quality print. It is quiet and fast and offers the flexibility of various fonts, styles, sizes and shades.

## Argos Mail Order Service

To cater for all your needs we also offer a mail order service for ribbons, daisy wheels and software accessories on typewriters and word processors. Simply call 061 976 4505 (24 hours) for credit card holders, or alternatively pick up an order form from your Argos store. No stamp is required.

## Extended Guarantees

For added peace of mind why not take out an Argos 3 or 5 year Extended Guarantee. See page 3.

## Computers

## Features

The Argos range of PCs has been chosen to offer a choice of configurations, and all come pre-loaded with a suite of software to enable you to get started right away.

## Processing Speed

The speed of the computer is determined by both the processor type and the clock speed. The clock speed is measured in megahertz (MHz); the higher the MHz, the faster the processing. A DX Processor utilises a maths co-processor to speed up calculations and graphics.

## Memory

Computer memory size is judged by how many bytes of data it can hold, normally measured in megabytes (1MB=1 million bytes).

## Random Access Memory (RAM)

This is the working memory utilised whilst in operation. Information held in the RAM is lost when the computer is switched off, therefore this needs to be stored on hard or floppy disks.

## CD-ROM (Compact Disk Read Only Memory)

This is a device for reading information stored on compact disk.

## Hard Disk Drive

This is a permanent high capacity storage device which is located in the system unit. The pre-loaded

operating systems and application software are stored on the hard disk drive.

## Floppy Disks

Three diskettes enable you to introduce new programs to the PC, and also to store information externally from the computer. The amount of information that can be stored depends on the size and density of the diskettes. The PCs available from Argos are all fitted with 3.5" floppy disk drives which operate with both double and high density diskettes.

## Multi-Media

Multi-Media uses the PC to mix still and motion video, sound, text and graphics to present information, eg an encyclopedia, in an interactive form.

## Sound Card

A sound card greatly enhances the PC's sound capabilities.

## VESA Local Bus

The Argos range of PCs provide expansion slots to enable the use of VESA (Video Electronics Standard Association) Local Bus Peripheral cards. A graphics card will enhance the speed and performance of graphics, and a Hard Disk Controller card speeds up the movement of information between the Hard Disk Drive and the processor.

**MAIL ORDER**  
We operate a mail order service for a range of accessories for your office equipment. For credit card orders, please ring 061-876 4505 (24 hour service) or alternatively pick up an order form from your local Argos showroom. NO STAMP IS REQUIRED.

Please note that all of the items on page 132 are excluded from the 14-day money back promise. This does not affect your statutory rights.

# Printers

The most common printer used with word processors and PC's is the Dot Matrix. Recently, Ink or bubble jet printers have become more popular.

## The Dot Matrix

These printers create an image on the paper using a row of 9 or 24 pins. The pins rapidly strike a ribbon onto the paper. A 24 pin printer is able to create a much smoother outline for letters and graphics since it uses more dots per inch.

## Ink/Bubble Jet Printers

These printers use a non-impact method of printing. Ink is forced onto the paper creating the image with near laser quality print. A key benefit is it prints more quietly.

## DPI (Dots Per Inch)

This refers to the density of the print, the higher the DPI, the higher the density of the print.

## Variable Print Speed

Variable print speed is measured in CPS (characters per second). The slower the speed, the greater the print definition.

## Common Terminology

**Draft:** Low density, fast printing to check accuracy and initial layout of document.

**NLQ:** Near letter quality

**LQ:** Letter quality.

## Friction Feed Facility

Enables you to handle single pages through the printer whereas the **Full Feed Tractor** facility handles a continuous supply of paper.

## Buffer Memory

This enables you to store information being transmitted from the PC ready for printing.

## Fonts

These are different typesstyles to enable various presentations of your work.

## L.E.D. Printers

L.E.D. (Light Emitting Diode) is a non-impact printing technology, similar to laser printing. The printed image is formed by an array of L.E.D.s directly illuminating a photographic drum unit. L.E.D. printers offer a considerable reduction in both size and noise.

We operate a mail order service for printer accessories. For credit card orders, please ring 061 976 4505 (24 hour service) or alternatively pick up an order form from your local Argos showroom. No stamp required.

## 1 SUPERSTORES ONLY

**EPSON LX-100 PERSONAL PRINTER:** 9 pin dot matrix printer. 50 sheet A4 paper cassette and push tractor for continuous stationery. 36 way centronics connector.

Call No. 671/0514 £6.99

# Fax Machines

A fax machine needs to be plugged into a new style phone socket and the mains. Some fax machines have an internal fax switch and can direct the incoming call to either the fax or telephone as appropriate, others also allow connection to an answering

machine. However, if you have extension phones you may require an external fax switch. This enables the use of the fax with an answering machine and extension phone all on one line. To help you with your choice, we have identified some key features.

## Features Guide

**Half Tone Reproduction** produces shades of grey and not just black and white, giving greater clarity for photographs or brochures.

**Superfine/Fine Mode** allows for a better reproduction of detailed documents/drawings with the facility for fine print.

**Auto Document Feed** lets you set up a number of pages for automatic transmission or copying in sequence.

**An Activity Report** provides a summary of information transmitted and received.

**An Automatic Paper Cutter** automatically cuts paper to the length of the message received.

**Anti-Curl System** - a special paper feed mechanism reduces curling making your fax document easier to handle and store.

**A T&M Interface** enables connection to a telephone answering machine so that messages can be automatically directed to the fax or the answering machine.

**REN** - The maximum Ring Equivalent Number for a phone line is 4. Your equipment may not function correctly if this is exceeded.

**1 S £249.00**

**2 S £295.00**

**BT**

**1 S SUPERSTORES ONLY**  
SAMSUNG FAX MACHINE. An integrated fax and telephone with an answering unit allowing connection directly to an answering machine. **IONISERS** - help to create a healthier environment by restoring the balance of negative ions in the air. They help to remove "pollutants" such as dust, smoke and pollen, giving the air a fresher, cleaner feel and may help sufferers of hay fever and asthma.

**AIR PURIFIERS** - help to clear the air of smoke, pollen and dust by the use of multi-stage filters leaving it fresher and cleaner.

**AIR SYSTEMS** - are ionisers and air purifiers combined.

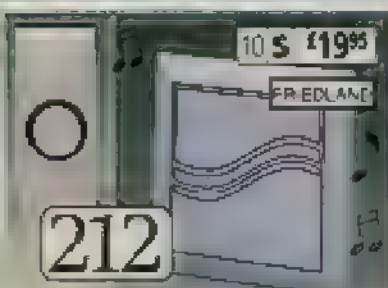

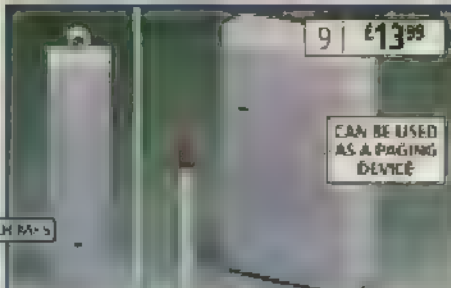

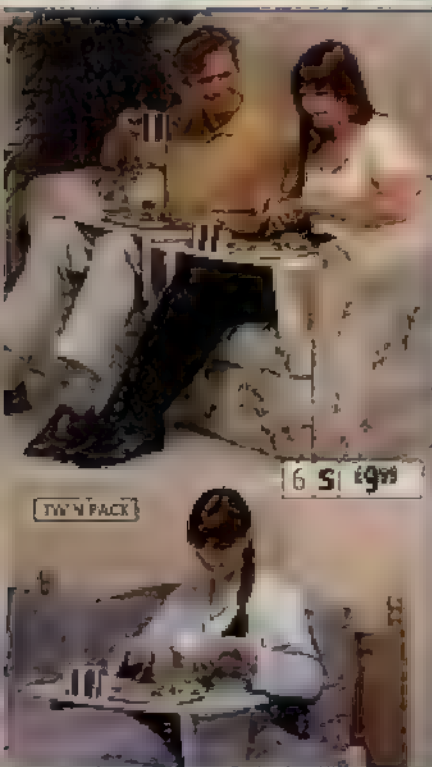

**EXTRACTOR FANS** - Pull stale indoor air outside, removing heat, moisture, odours and pollutants.

Items nos 18 and 19 must be permanently connected to a 240V ac electrical supply. If in doubt, consult a qualified electrician.  
All sizes quoted are approximate. Batteries are not supplied unless otherwise stated.

SURROUND

9 **£359.99**

## GAS FIRE & SURROUND

PRIOR TO PURCHASE we  
recommend that this inset gas  
fire is used in conjunction with  
the "Fareham" fire surround. If  
an alternative surround is used, it  
must have a non-combustible  
back panel and hearth.

N.B. The distance between the  
mantelpiece (average 6 inch  
thick) and the top of the fire  
must be in excess of 6 inch. The  
chimney must be of a class 1  
construction and we recommend  
that it is swept prior to  
installation. Gas appliances  
should only be connected by an  
approved CORGI installer  
(Council for Registered Gas  
Installers) who will undertake the  
gas work, final connection and  
safety checks.

For any queries regarding the fire  
please phone 0352 730903  
during office hours.

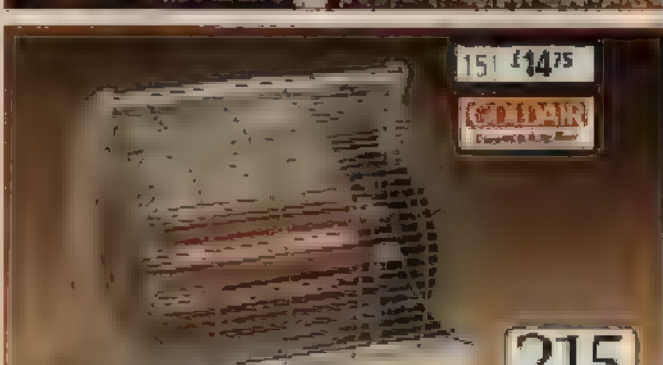

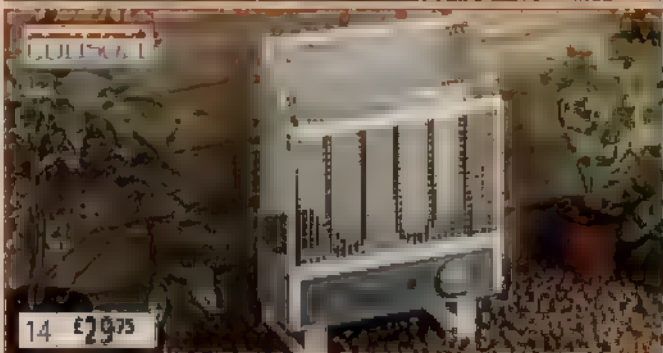

For installation, please telephone  
0703 556235 or contact your  
local CORGI installer.

SINGLE/DOUBLE

3 7"

**1 WATERPROOF DUVET COVER SET**  
Single size. Comprises a mattress protector, one pillow protector and a duvet protector. Will protect your whole bed from any liquid spillage and therefore prolong its life. Dust mites are a major contributor to the symptoms of asthma and other allergies. As the waterproof bed set is made from non-allergic and non-penetrable material it helps to keep dust mites from breeding. It is suggested that you vacuum your mattress thoroughly before using the waterproof protector.

Cat. No. 102/9214 £12.99

**2 PAIR OF QUILTED PILLOW PROTECTORS.** 100% polyester filling with a 50% polyester/50% cotton cover. Luxury size 29 x 19 inch.

SUPERWARM PLUS

Please note the thermal insulation (warmth) of a duvet is expressed by the term "tog". The higher the tog rating the warmer the duvet. The British Standard minimum tog bands are as follows: 4.5 tog, 6.0 tog, 7.5 tog, 9.0 tog, 10.5 tog, 12.0 tog and 13.5 tog. All our duvets conform to the tog bands in BS5315.

**DUAL CONTROL.** Some of the double undercover blankets featured have dual controls. This enables the two sides of the bed to be at different heat levels, according to personal need.

**HEAT LEVELS.** All our electric undercover blankets have 3 or more heat levels. The higher the number, the hotter the temperature.

**ALL-NIGHT USE.** UnderOver Blankets. All electric undercover blankets. B.E.A.B. approved, are suitable for all-night use, plus the normal full pre-heating facility. All our electric blankets have full overheat protection.

# GUIDE TO SELECTING YOUR IRON

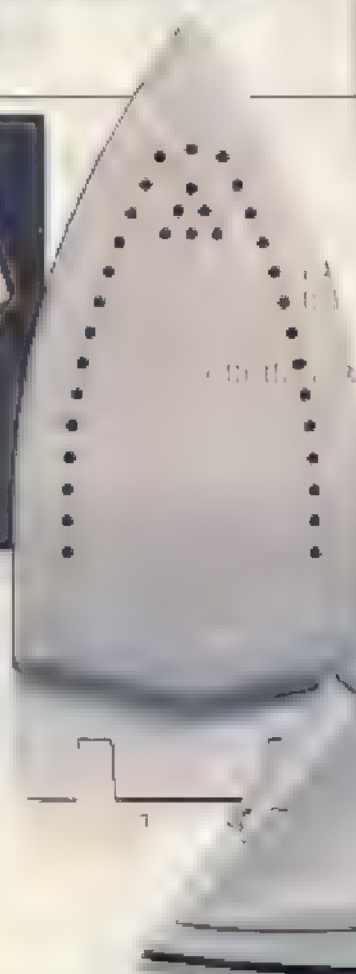

410/4610 £36<sup>00</sup>

## MORE STEAM FOR MORE EFFECTIVE IRONING

The more steam an iron produces, the easier and more effective it is to use. Tefal irons give generous amounts of controllable steam to make even the most stubborn creases disappear with minimum effort.

The Filter Scale iron (cat no 410/4634) also features a vertical steam facility, ideal for garments such as suits, curtains and even silks, all of which could be ruined by an overly hot soleplate.

## EASIER IRONING THANKS TO ULTRAGLIDE SOLEPLATES

Available only with Tefal irons, the Ultraglide soleplates have been designed to reduce resistance and friction to a minimum, allowing the iron to glide more smoothly and more easily than any other iron.

Durable and hard wearing, the Ultraglide soleplate is also very easy to clean.

410/4634

£44<sup>50</sup>

## NO SCALE BUILD-UP MEANS MAXIMUM PERFORMANCE

If you live in a hard water area, the 2017 (cat no 410/4634) and 1962 (cat no 410/4627 - featured on p.263) models feature an anti-scale cassette, which filters out scale together from the water. This ensures your iron will continually produce excellent steam levels - replace the cassette not the iron.

All Tefal irons incorporate an ingenious removable anti-scale valve at the point where scale often blocks the water supply.

## CUT IRONING TIME BY UP TO 20%

410/4768

£129<sup>00</sup>

With a Tefal Steam Generator working for you, tests have proved you will cut your ironing time by as much as 20%.

For the most professional results at home, Tefal have developed the Steam Generator (cat no 410/4768) giving you one litre water capacity which delivers 1½ hours of continuous steaming.

Because steam is produced in a separate boiler unit, there is a continuous high level of steam to iron even the most difficult garments. Meanwhile, the iron remains lightweight and easy to manoeuvre.

This iron is also capable of steaming vertically, which is ideal for suits, curtains, jackets and especially silk.

281

For any queries about your iron, call the appropriate telephone number during normal office hours:

**REPAIR SERVICE**  
We offer an after sales  
Repair Service, please  
see page E-76 for details

All electrical items on these pages are fitted with a plug

To cater for all your needs, we also offer a mail order service for replacement filters for Moulinex, Tefal and Bistonghi fryers. Simply call 061-976 4505 (24 hours) for credit card orders or alternatively pick up an order form from your Area store.

Rise and fall baskets enable the raising and lowering of the basket without opening the lid.

Your  
Guide to

# Microwave Ovens

To help you choose we have explained a little about microwave ovens and their benefits.

## The Benefits of a Microwave Oven

- Microwave ovens can be used for most types of cooking, for defrosting, and for reheating pre-prepared foods.
- Cooking by microwave is up to 75% faster than a conventional oven and, as less energy is used, is more economical.
- Food cooked in a microwave oven remains nutritious and tasty since the food is cooked so quickly that it retains more of its goodness, with less loss of vitamins and minerals. Most food can also be cooked without the addition of fat.

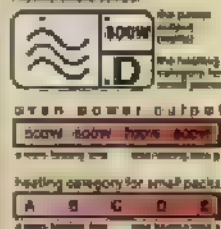

## How a Microwave Oven Works

Microwaves produce heat by friction, caused by the moisture molecules in food vibrating against each other very quickly. Microwaves penetrate the food surface and the heat is then transferred to the centre of the food by means of conductivity, hence the need to allow for standing time and stirring.

## Quality and Safety

All our microwave ovens conform to both British and International Electrotechnical Commission Standards of Safety. They are also appraised by our own Quality Control department. Most new microwave ovens now display a label relating to the new heating instructions on small food packs (eg ready-made meals for 1 or 2 people).

This is an example of the label:

By matching up the information on the food pack with that on the oven, you will be able to calculate more accurately the heating time required.

For further information please call the Independent Food Safety Advisory Centre on 0800 282407.

\*Reproduced by permission of MAFF from 'A Guide to the new Microwave Labels'.

## Points to Remember

- Allow sufficient standing time after cooking for heat to pass to the centre of the food.
- If possible, stir or rearrange food halfway through cooking, reheating or defrosting to ensure even heating.
- Reheating of food must be carried out at a temperature higher than 70°C for at least 2 minutes.
- Food straight from a refrigerator is colder than room temperature and allowances should be made when calculating cooking times.
- All instructions for microwave cookery are to be used as a guide, foods may require slightly more or less cooking, reheating or defrosting time.
- Always follow manufacturer's instructions and any cooking instructions on the food pack.

All electrical items shown on these pages are supplied fitted with a plug.

### Size/Capacity

The interior capacity of a microwave oven is measured in cubic feet. This can be used as an indication of the amount of food which can be cooked, defrosted or reheated.

### Controls

All our ovens are controlled by either a dial or, for more accurate timing - and programming, by key pad. All have timers, automatically switching off the cooking cycle once cooking is complete.

### Output Power/Wattage

The higher the wattage, the more powerful the microwave oven so the faster it will be able to cook.

### Turntables

All of our microwave ovens have rotating turntables to ensure even cooking. Some have special boomerang turntables which return to the original starting position when cooking is finished - this is useful for removing handled pots from the oven. All turntables are removable for easy cleaning.

### Grills

Some microwave ovens have a grill, which will brown and crisp food whilst combining the speed and convenience of a microwave oven. Grills can be used simultaneously on some of our models. (See individual products for details.) The following features are exclusive to key pad operation models only.

### Sequence Cooking

This feature allows you to programme the oven to cook at different power levels for different lengths of time, in sequence, enabling you to automatically defrost, cook and keep food warm until you are ready to eat.

### Programmable Memories

Some microwave ovens have a memory facility which enables you to store your most used setting for defrosting, cooking or reheating.

### Delay Start

This allows you to delay the start of your cooking while you are out, so that your meal is ready when you arrive home.

### Auto Weight Defrost

Simply key in the weight, type of food and the power level, and the cooking time will automatically be calculated for you.

### Auto Defrost

This feature means that the power level is gradually reduced in stages to ensure that food is thoroughly and evenly defrosted.

### AutoWeight Cook

Simply key in the weight, type of food and the power level, and the cooking time will automatically be calculated for you.

# Combination Ovens

Combination ovens combine the versatility of a microwave, grill and convection oven all in one. You can use a combination oven as a microwave, grill or convection oven. This gives you the speed and efficiency of a microwave, with the advantages of an ordinary convection oven - which brings out the flavour, browns, and crisps your food.

Most foods can be cooked in combination mode, but combination ovens are particularly good for roast meat and poultry, cakes, vegetables and baked desserts.

There are a variety of non-stick coatings on cookware sold by Argos. As a rough guide the more layers the coating consists of, the longer lasting it will be.

**SUPPLIER HELPLINE**

\* All Pirelli registered trademarks. All capacities stated are to the "brim" and are approximate. Please refer to the instructions and recommendations of your ceramic hob manufacturer before purchasing cookware.

**D** Much of the cookware sold by Argos is dishwasher safe. Please refer to your manufacturer's instructions regarding use in a dishwasher. Always combine non-stick surfaces lightly with vegetable oil after use in a dishwasher.

All Prestige pressure cookers sold by Argos are now fully assembled and ready to use. If you have any queries on Prestige pressure cookers please call the Prestige Helpline 0800 242218. Spare Parts 0282 537016. Please note the Prestige guarantee does not cover perishable items such as gas grills and ready to serve indicators.

# PHILISHAVE

Philishave with the unique rotary action for the closest possible shave. A close shave is what most men try to achieve and most women admire. So choose from the traditional three head Philishave or twin head including Philishave Tracer, all with a wide range of features.

## For the man inside

Phil's new Super Shave Philishave has designed this microgroove shaving head with 100,000 microgrooves on modern HS990, HS990, HS990, HS990.

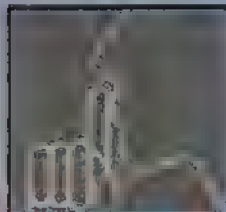

A unique blend of micro technology combining a foil and cutter that performs together in a micro-precision shaving action, clean cutting. The foil also breaks the hair up back into the skin.

The cut in hair is made by a ground, a sharp edge and rotates at high speed the rotary. The hair is pulled up as you shave.

The three floating heads move independently of each other following the contours of the face perfectly.

Phil's new Philishave is a feature a microgroove shaving head with 100,000 microgrooves on modern HS990, HS990, HS990, HS990.

All the Philishave rechargeable shavers have two power cells for longer life, longer shaving time, quick recharging.

### PHILISHAVE HS990 RECHARGEABLE/MAINS SHAVING SYSTEM

- New microgroove shaving heads
- 3 new-type cutters, each with 15 self-sharpening blades
- Individually floating heads
- Variable comfort control
- Large effective pop-up trimmer for sideburns and moustaches

### RECHARGEABLE/MAINS SHAVING SYSTEM

- Rechargeable/Mains
- 1 hour full charge for up to 3 weeks' cordless shaving
- Quick charge
- Audible low charge alarm
- Twin 'green' high-energy rechargeable cells (NiMH)
- New charge level indicator with permanent display minutes left
- New electronic warnings for cleaning programme
- Universal voltage 100-240V AC and 12-24V DC

### FEATURES

- Soft-touch side panels
- New soft feel 'suede' finish on shaver body
- Silent, yet powerful motor
- Shaving head release button
- Illuminated on switch

### ACCESSORIES

- Deluxe storage cassette
- Compact travel pouch
- Wall holder stand
- Protective cap
- Cleaning brush

Cat No. 441/0500 £109.90

For the full Philishave range see page 389

### Philishave Rechargeable/Mains

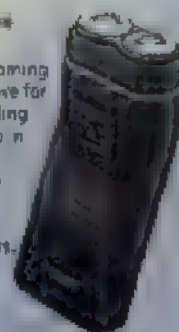

The powerful performance of a mains shaver retained for up to three weeks of cordless independence at home or away.

Philishave Mains Highly featured, powerful mains shavers for the ultimate close shave every day.

Philishave Battery Good grooming on the move for the travelling man. Keep in the car or office as a top-up for wet or dry shaves.

**SEND MAIL ORDER**

A mail order service is available for replacement foils, cutters and other accessories.

Credit card orders  
Tel: 061 476 4505  
(24 hour service)  
or get an order form in-store.  
No stamp required.

**TO OBTAIN MAXIMUM SHAVING PERFORMANCE**  
Due to the sensitivity of your skin, you should allow approximately 2-4 weeks for it to adjust to your chosen shaver.

**ARE YOU TAKING YOUR APPLIANCE OVERSEAS?**  
If so this simple guide may help. If your appliance has automatic or universal voltage there is no need to make any adjustment. If your appliance has a dual voltage switch you will not need to change the setting for European countries, most of which have 220-240 voltage supply systems, although an adaptor would be required (see page 220 key no 16). However in the USA or Japan, you will need to change to the 110-120 volt setting. Please take great care to switch back to the 220-240 setting on your return to the UK or other European country.

**ADAPTORS**  
Several shavers are described as being chargeable from a 12-24V dc supply. This can be achieved only with an optional adaptor. These are available via our mail order service.

## PHILISHAVE®

## MAINS RECHARGEABLE

**SHAVING TIMES:** These are approximate and are based on an average of 3 minutes shaving per day. They are also dependent upon the strength and thickness of the beard.

**PHILISHAVE MACHINERY RECHARGEABLE SHAVERS**  
New microgroove shaving heads with 3 in and cut for an even closer more comfortable shave. Self-sharpening blades. New improved 90 slot independently floating heads. Trimmer. Silent power. Rechargeable. Environmentally friendly power cells. 1 hour full charge for up to 28 days (163 minutes) cordless shaving. 5 minute quick charge. Audible low charge alarm. Green LED charging fully charged light. Travel switch lock. Tropicalised for all climate conditions. Presentation case. Universal voltage, 12-24V ac and 100-240V ac. B.E.A.B. approved.

**TAKING CARE OF YOUR SHAVER.** In order to prolong the efficiency of your shaver, frequent, thorough cleaning is required in accordance with your manufacturer's instructions. Foils and cutters should be replaced regularly.

**REPAIR SERVICE**  
Should a fault develop and the product is returned to a showroom within 30 days of purchase we will be glad to offer you an exchange or a full refund. In a fault develops and the product is returned to a showroom more than 30 days after purchase and within the manufacturer's guarantee period, we will provide a free-of-charge repair facility.

Items 12 to 14 are epilators, not shavers. They remove hair at the root. First time users will experience a painful sensation. This is quite normal and will be reduced with regular use. Please refer to manufacturer's instructions for full guidance and advice. Please note that these products are not recommended for people with varicose veins or diabetes.

**CONCENTRATOR NOZZLES** - All of our hand-held hairdryers are supplied complete with a detachable concentrator nozzle. Hairdryers with diffuser attachments are ideal for smooth drying, or gently drying naturally curly, permed or fine hair. Some models have a pre-set diffuser heat/speed setting. A few heat settings should be selected on all other models, unless otherwise stated in the manufacturer's instructions.

**ARE YOU SAVING YOUR APPLIANCE OVERSEAS?** Please refer to page 393 for voltage details.

FLUVA reflector tubes give more  
effective tanning. All solaris  
come with safety goggles and  
instructions. It is important  
when using a solarium to always  
wear the safety goggles  
provided. Do not exceed the  
manufacturer's recommended  
exposure times.

- 3 S SUMMERTIME ONLY**  
CARMEN INTRASONIC MASSAGE R. Developed to give temporary pain relief, help increase mobility of stiff, aching joints and muscles, and aid relaxation. Provides soothing vibratory massage that reaches deep into the muscle. The effect left on the skin will be gentle. This is quite normal and does not minimise the effectiveness of the ultrasonic massage. Features include 4 applicators, long handle with flexible neck joint for dynamic reach, push and release intensity control dial. Can be used in conjunction with your favourite oil or moisturiser and is ideal for face reflexology. Supplied complete with storage case and 240V ac mains adaptor. Please note that this item is not recommended for people with varicose veins.  
Cat. No. 441/1714 **£49.00**
- 4 S SUMMERTIME ONLY**  
CARMEN INFRARED MASSAGER. Heat, vibration and vibratory massage. Provides quick temporary relief to minor aches, pains and inflammation. Can be used together or independently. 5 applicators for muscle, body, scalp, intense and general massage. Push button automatic remote. Two levels of vibration. Long handle 240V ac. Please note that this item is not recommended for people with varicose veins.  
Cat. No. 440/1127 **£24.50**
- 5 S SUMMERTIME ONLY**  
CARMEN INFRARED MASSAGER. With infra-red heat and vibratory-massage applicators for neck, back, muscle and deep muscle massage. 3 settings. Infra-red, massage and infra-red and massage. Long handle with adjustable angle head. 240V ac.  
Cat. No. 441/1482 **£19.75**
- 6 CARMEN DEEP HEAT MASSAGER**  
Heat treatment combined with vibratory massage. Variable levels of heat and massage intensity. Provides quick temporary relief to aches and pains. With five applicators. Lightweight. 240V ac. Please note that this item is not recommended for people with varicose veins.  
Cat. No. 440/9810 **£19.50**

Comes up to 3 inches safely. Secured  
in minutes, without tools. Suitable for most  
vehicles and cycles. Holds flat for storage.  
Number plate trailer board fixing on  
supported number plate not included.  
Cat. No. 311-0090 **£34.99**

**18** G-15019 12V 12W POWER  
"G-15019" Puffs directly into  
vehicle cigarette lighter socket. Complete  
with 10 different heads with strap on tyre  
valve connector. 1 metre Adapters. Needle  
adaptor. Bright working hazard  
beacon and tyre pressure gauge. 12ft cable.  
Cat. No. 7504822 **£14.99**

**19** B-15020 12V 12W  
"B-15020" 12V 12W  
Operates from car cigarette lighter socket.  
Incorporates  
12V inhibitor with continuous reading  
pressure gauge. Bright working hazard  
beacon on 12ft cable. Illuminated  
pressure gauge for tyre reading at night.  
Adaptor supplied for other inflatable. Built  
in mode carrying case with reflective on it.  
Cat. No. 7504615 **£19.99**

**20** B-15021 12V 12W  
Operates from car cigarette lighter  
socket or battery terminal using special  
adaptor provided. Incorporates 12V  
inhibitor and continuous reading pressure  
gauge. Bright working hazard beacon on  
swivelling arm or detaches for use on 12ft  
cable. Built in mode carrying case with  
reflective on it. Suppliers with adapters for  
inflatables.  
Cat. No. 7504695 **£26.99**

**8 CYCLEMOTOR CYCLE LOCK** High security shackle lock. Hardened steel joint with anti-pick lock mechanism and non-scratch plastic coating. Large shackle size suits all types of cycles and motor cycles. Supplied with carrying bracket and two keys.  
Cat. No. 740/7761 **£14.99**

**9 BRIDGE 4 AMP RMS BATTERY CHARGER** For 12V batteries. Includes automatic thermal protection and self-reversing against output short circuit, reverse polarity connection and lower testing. (Suitable for lead acid-free electric batteries.) The battery connection is simply unplugged for storage when not in use. Comes with safety belt. Cat. No. 750/1332 **£19.75**

**10 BRIDGE 8 AMP BATTERY CHARGER** Powerful charger offering two charge rates on high 8 amp RMS and low 4 amp RMS. Suitable for use on 6V and 12V batteries. Features include built-in carrying handle plus unique cable tidy and plug storage point.  
Cat. No. 750/4750 **£14.99**

**11 GUNSON'S AUTOMATIC BATTERY CHARGER** For 12V batteries. Automatically fully charges with no danger of overcharging. Batteries may be left permanently connected. Suitable for "maintenance free" and sealed car batteries. Includes thermal cut-out and full short circuit reverse polarity protection. Ideal for camping, boating, winchmen etc. Conforms to Electrical Equipment (Safety) Regulations and BS3456.  
Cat. No. 750/4679 **£19.99**

**12 GUNSON'S RUMESTART HEAVY DUTY STARTER/CHARGER** With fast battery charging at 15 amp RMS and boost charging at 26 amp RMS. Overload protection. Conforms to Electrical Equipment (Safety) Regulations and BS3456.  
Cat. No. 750/4339 **£19.99**

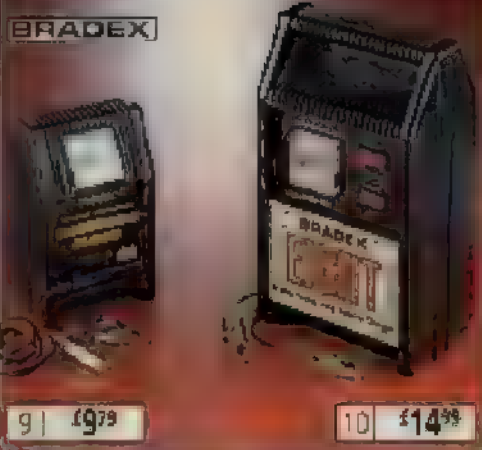

**13 PROCRANT LIGHT WELDING KIT** 100 amp double insulated machine for maximum safety. Ideal for general welding and basic car repairs. For material up to 5mm thick. Totally variable welding current for complete control. Lightweight and portable. With face mask, earth clamp, electrode holder and other accessories.  
Cat. No. 710/8077 **£49.99**

**14 TEST KING CYCLES LTD. THULEY JACK** Heavy duty all steel construction. Lifting range 5-7 inch weight 22lb approx.  
Cat. No. 750/2903 **£19.99**

**15 TEST KING CYCLES LTD. TOWER JACK** Heavy duty all steel construction. Lifting range from 5 to 15 1/2 inch approx. Weight 36lb.  
Cat. No. 750/4570 **£24.79**

**16 PERKIN ALL PURPOSE MOTOCYSTS QT** Comprising 2 sets of wheels, 1/2 inch drive spinner handle, 9 1/2 inch drive wheels, 3 spacers, adjustable feet, 6-24 volt tester and clip, access to fuses, tyre pressure gauge, anti-leak tester, petrol siphon pump, booster cables, plastic groundsheet, pair of gloves, 12 volt magnetic suspension lamp, spark plug tool, tension gauge and insulation tape. As in a tough carrying case.  
Cat. No. 750/1360 **£19.99**

**17 SP4 VIKARIE 2750 PSI GUN** PROFESSIONAL AIR COMPRESSOR. With spray gun and air hose. Wheel mounted on a 2 1/2 litre tank and fitted with automatic shut-off control. Powerful 1.5 HP motor. Pressure gauge and regulator produces 7.5 cfm and maximum pressure 110 PSI. Ideal for spraying, inflating, air blowing and to remove large consumption air tools. 240V at mains. Free home delivery, see page 678.  
Cat. No. 705/1375 **£199.99**

**18 WASHJET** Powerful water jet action up to 1500 PSI pressure. Operates from a standard garden hose. Complete with high pressure hose, lance and low pressure chemical pickup. Ideal for cleaning cars, patios, boats, garden furniture, caravans etc. 240V at mains. It is recommended that a residual current circuit breaker is used. Free home delivery, see page 678.  
Cat. No. 705/1383 **£179.99**

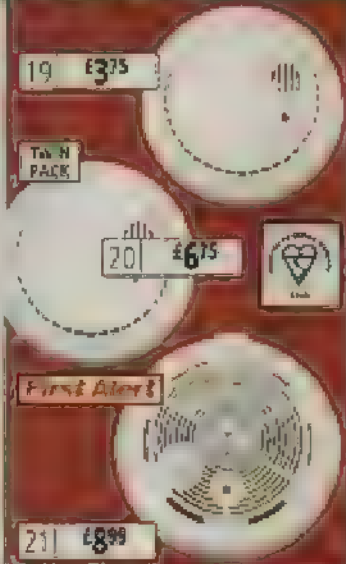

## SMOKE DETECTORS

**19 SMOKE DETECTOR** Standard ionisation smoke alarm. Loud 85 decibel horn, low battery indicator. LED on/off and test buttons. With battery fittings and strong instructions.  
Cat. No. 701/1557 **£3.75**

**20 SMOKE DETECTOR TWIN PACK** Same as above but includes 2nd alarm. Loud 85 decibel horn, low battery indicator. LED indicators and test buttons. With batteries, fittings and strong instructions.  
Cat. No. 701/1377 **£6.75**

**21 FIRST ALERT SMOKE DETECTOR** (BATTERIES INCLUDED) Loud 85 decibel horn, low battery indicator. LED power indicator. Test button and keychain light which turns on when alarm is activated. With batteries, fittings and strong instructions.  
Cat. No. 707/1566 **£8.99**

COMPARISON SET OF GOLF CLUBS.  
Ideal for all levels of golfer. Comparison  
metal finish 3, 5, 7, 9 SW, iron, 1 and 5  
woods. Irons have sweet spot for  
maximum playing distance, and steel  
shafts. The "jumbo" sized 1 and 5 woods  
are filled with high performance graphite  
shafts, incorporating bendover or weighting  
design, to give maximum distance with  
accuracy.

Cat. No. 321/5884 £99.99

**14 OVERSIZED "REACTOR" HEAD SET OF**  
GOLF CLUBS. Comparison no 4, 6, 8  
and pitching wedge iron, no 3 wood,  
heel and toe putter. Irons feature "radius  
mass movement" weight transfer system,  
which centres the weight directly behind  
the ball at impact creating longer,  
straighter shots. Mirror finished. Oversize  
metal woods with Adia graphite shafts  
allow longer, straighter shots without  
additional effort. All clubs have  
all-weather grips.

Cat. No. 321/5925 £99.50

### 15 SUPERSTORES ONLY

# Keep Fit

## Stay in Shape at Argos

Our range of in-home exercise equipment will enable you to exercise where and when it suits you. We have equipment to develop strength and stamina for men and women of all ages, for beginners and for experts. Whether you are looking for light exercise or for something more "serious", at Argos, we know how to take care of it.

Before you start, we recommend two key safety tips:

- ▲ Always consult your doctor before starting a new exercise programme which will involve a major increase in exercise compared to what you are used to.
- ▲ Never let children near any equipment whilst in use as serious injuries can be caused by moving chains, wheels and spokes.

## Strength Training

There is a variety of keep fit equipment available at Argos which primarily helps to build up your strength.

**Weights and Benches** are the simplest way to increase your strength. With weights you can use either a barbell or dumbbell bar depending on the type of exercise you want to do. If you use a bench in conjunction with a set of weights it will allow you to develop your own training programme.

**Multigyms** are the most comprehensive fitness and body building machines for developing your muscles. They are fully adjustable so that you can progressively increase and decrease the weights and resistance on them. Our multigyms will suit everyone, whatever your age, sex or level of ability.

We've included a dimensions box next to each multigym, but do allow for the extra space needed when the equipment is in use.

## Stamina Building

**Exercise Bikes** help you build up your aerobic capacity and are particularly good at helping to tone up the muscles in your buttocks, hips, thighs and legs.

Dual action cycles have adjustable pivoting handlebars enabling you to pedal and row, exercising the upper and lower body at the same time.

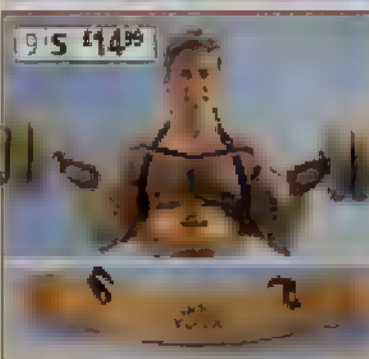

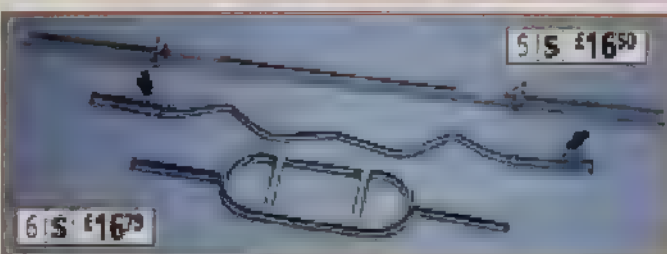

**Rowing Machines** are the single best machines for all round exercise by strengthening your legs and exercising your upper body.

**Steppers** provide one of the best forms of cardiovascular workout, using the largest body muscle groups and strengthening, toning and contracting muscles. Steppers are available in various formats from basic floor steppers to stepper climbers with electronic monitoring.

**Treadmills** are similar to jogging and walking and are renowned as one of the most intensive workout machines.

**Ski Machines** simulate cross country skiing which is recognised as the best total body workout, both anaerobic and aerobic, exercising both the upper and lower body, whilst improving your stamina.

Now we've given you some key tips on keep fit equipment, have a look through the catalogue to see our full range and let Argos take care of it.

**YORK CAST IRON BENCHES** feature built-in dumbbell holders and 1 inch diameter. Rounded edges for easier handling.

**SIZING GUIDE** Check your inside leg measurement (with shoes) to find the correct frame size to suit your needs. For off road use, choose a cycle with a smaller frame size in the range shown. For road use a larger frame and suit. E.G. inside leg 30 inch off road 14 inch frame, on road 20 inch frame.

Please note pedals have to be fitted and handlebars and saddles adjusted. Please see learner in-pack for step-by-step instructions.

#### RALEIGH ACTIONER 15

# Cameras

Most cameras are fitted with additional features to give greater flexibility when taking photographs. Some key features are explained below.

## Features Guide

### Flash

A **built-in flash** works directly off the camera batteries and is usually effective for up to 15 feet. A **low light indicator** shows when to turn the flash on. An **Auto/Sensor** flash will work automatically when there is insufficient light. On some cameras, a sensor flash can be turned off for atmospheric shots, or used as "fill-in" flash when the subject is in the shade or against a bright background. **Red-eye reduction** utilises a light or pre-flash to contract the subject's pupils to reduce "red eyes".

### Motor Drive

**Motorized load** winds the film to the first frame ready for use automatically or by pressing the shutter button. After each shot, **motorized advance** automatically winds the film onto the next frame. At the end of the film, **motorized rewind** will rewind the film ready to take out.

### Auto Focus/Focus Lock

Basic cameras have a fixed focus, which does not vary depending on how far away the subject is. Cameras with auto focus automatically focus on the subject in the centre of the viewfinder. "Focus Lock" allows you to focus on your subject and then recompose the shot, still holding your subject in focus.

### Auto Exposure

The aperture varies to give the correct exposure for differing light conditions. On more sophisticated cameras, a **programmed shutter** automatically adjusts the shutter speed. A **backlight compensation** facility allows for bright backgrounds such as snow or sand.

### Zoom Lens

This allows you to bring the subject closer and frame the shot as required without having to move. The bigger the zoom (measured in millimetres) the nearer the image, and so the larger it will appear.

### Twin Lens

This enables you to choose between normal or a close-up shot depending on how you wish to frame the subject.

### Macro Facility

This allows you to take clear, focused close-up shots.

### Infinity

This feature is used when taking long distance shots or for shooting through glass with an auto focus camera.

### DX Coding

The camera will automatically adjust to the speed of film you are using.

### Self Timer

This enables you to set the camera to take a photograph approximately 7 seconds later, so that you can be in the shot as well! A dual self timer takes two pictures in succession whilst a special multi-frame self timer allows you to take up to four consecutive shots.

### LCD Panels

On sophisticated cameras, these show the current function status, eg. selected flash, focus, mode, battery level and number of pictures taken.

### Data Back

This allows the option of data to be printed on the face of your photograph enabling you to remember when the picture was taken and is available in two forms:

1. A manual data back will print the month and year if required.
2. A quartz data back offers a clock facility with LCD display and will print time/day/month/year if required.

### Panoramic

This facility produces special "stretch" prints to create incredible scenic views or artistic compositions. These cameras either utilise an adaptor which is inserted prior to loading the film, in which case the whole film must be shot in panoramic mode, or a switch mechanism which will allow for shots to be mixed on the same film.

**NA.** Films containing mixed exposures will incur additional processing cost and we recommend that you advise the processor before having the film developed. **Two-mixed exposures** i.e. all panoramic exposures are also more expensive and you should ensure that the processor has the capability to print these type of photos before they are submitted for developing.

## 110 CAMERAS

**INCLUDES BATTERIES, CASE & FILM**

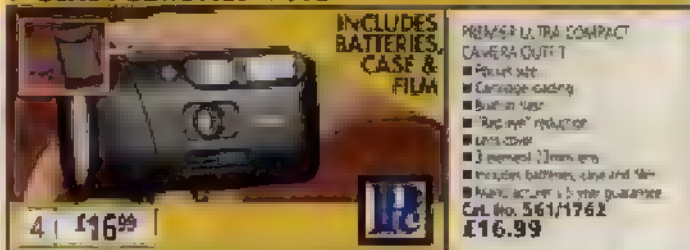

**LE CLIC 110 CAMERA OUTFIT**

- Wide angle and telephoto lenses

# Camcorders

## HELPLINES

For any queries about your camcorder please ring the appropriate helpline during office hours.

Sony 081 784 1144  
JVC 081 450 3282  
Canon 081 205 7100  
Sharp 061 205 2423

Argos 3 and 5 year Extended Guarantees are available on all our camcorders. See page 3 for details.

5 Year Canon 0850745 £75.99  
5 Year Canon 0850740 £137.99

**Argos Personal Account**  
With an Argos Personal Account you can buy your Camcorder now and spread the cost to suit your budget. See page 2 for details.

A camcorder allows you to capture action in sound and vision. It gives high quality home video recordings and has a wide range of features to give you greater flexibility. To help you choose, our guide below explains some of the technical terms and features.

## Tape Formats

There are 2 camcorder formats, using different types of tape.

**8mm tape** is a small cassette which gives up to 90 minutes recording, or 3 hours with **long play**.

Tapes are played back by plugging the camcorder directly into your TV or video recorder using the leads supplied. Recordings can be edited onto VHS tape via a video recorder.

**VHS-C** is a compact tape which can be played in your VHS video recorder, using the special adaptor supplied with all of our VHS-C camcorders.

They give up to 45 minutes of recording, which can be extended to 90 minutes with a **long play facility**. VHS-C tapes can also be played back by connecting the camcorder directly into a TV or video recorder 21 pin SCART socket. If you do not have a video recorder or 21 pin socket TV, you will need to buy an RF lead and adaptor - available from Argos Mail Order Services (telephone 061 575 4505 or ask in-store for details).

## Features Guide

### Power Zoom

This gives a smooth zoom-in action for close-up shots. The greater the zoom, the greater the magnification.

### Full Range Auto Focus

This ensures that the subject stays in focus, no matter how close or far away.

### Intelligent Auto Iris

The auto focus facility works through the lens to give clearer shots and a better colour balance.

### Programme Scene Auto Exposure

This control ensures the auto exposure is correct for

different environments (sports, ski, twilight, parties or portrait).

### Macro

A macro facility allows clear and focused close-up recordings.

### Shutter Speed

A variable shutter speed allows slower speeds in low light conditions, whilst a high speed shutter gives clear shots for high speed action.

### Lux Illumination

The lower the lux minimum illumination, the lower the light conditions in which the camcorder can still effectively record.

### Fader

This allows you to smoothly fade in and out of different shots.

### Flying Erase Head

When recording over old scenes this gives a cleaner transition from old to new recordings.

### Still Memory

Title or dates can be superimposed onto recordings as a permanent reminder.

### Edit/Camera Search

Previous recordings can be viewed through the camcorder for editing or to find the correct position to resume recording.

### Long Play/Record

This feature allows you to record and play back for twice the normal time, i.e. 3 hours on a 90 minute tape.

### Infra-Red Remote Control

This allows you to operate the playback features of your camcorder from the comfort of your armchair.

### Insert Edit

This allows a new recording to be inserted between existing scenes.

## BINOCULARS

11 £16.75

HAINA

**HAINA DISCOVERY 8x35MM BINOCULARS**  
 ■ 8 times magnification  
 ■ Lightweight  
 ■ Fold down rubber eye pieces  
 ■ Coated lenses  
 ■ Complete with case, strap, cloth and protective caps  
 Cat. No. 580/1967  
**£16.75**

Binoculars are useful for a variety of hobby and leisure activities. The keen gambler or nature observer, sports fan, eager to capture a race or get closer to the action, and concertgoers who want a close-up view. Many binoculars featured have coated lenses to improve image brightness. Some are compact and fit easily into a pocket or handbag. Most have fold down rubber eye-cups allowing spectacle wearers to fold back the eye-cups and get closer to the eyepiece to see a clearer image.

# Televisions

If you are looking for a large screen or portable television, Argos has a wide range for you to choose from with a variety of features.

## Features Guide

### TELEVISION SIZE

Television sets have always been described by the nominal size of the glass tube across its greatest diagonal. The figures shown in brackets eg (V34cm) refer to the actual visible picture diagonal. For FST sets, which are normally quoted in cm, we have rounded to the nearest inch for ease of comparison. Batteries are not supplied unless otherwise stated.

For any queries about your TV, please ring the appropriate telephone

number during normal office hours.

**Argos** 081 594 3143  
**Black & Decker** 0276 62222  
**Philips** 081 545 6954  
**Mitsubishi** 081 549 2827  
**Sharp** 041 205 2823  
**Panasonic** 0344 853443  
**Samsung** 0952 292262 ext 2135

### FST

This stands for "fatter squarer tube", which gives you improved definition, a wider viewing angle and less light reflection.

### Teletext/Fastext

This gives you up-to-date information on a wide range of subjects such as travel, news, sports and television programming. Teletext also gives subtitles on selected television programmes.

Fastext is an updated system to give you quicker access to your chosen page of information. In order to ensure satisfactory text reception it is recommended that portable teletext TVs are used in conjunction with an external aerial.

### SCART Socket

A SCART socket, when used in conjunction with SCART leads, gives an easy connection between your television, VCR, audio system or satellite receiver dish. SCART leads can also be used to connect your Camcorder to the TV to play back recordings.

### Sleep and Wake-up Timers

Particularly useful if you want to watch television in the bedroom, you can programme the timer to switch the

television set to standby automatically, after you have fallen asleep. A wake-up timer acts as an alarm clock.

### NICAM

NICAM is a high quality digital audio signal which is transmitted simultaneously with television pictures, giving a similar sound quality to compact disc.

To receive the stereo NICAM signal a television or video must incorporate a NICAM receiver which picks up the signal through your existing TV aerial. A NICAM video recording must then be replayed through a NICAM or stereo TV to maintain the stereo sound.

### On-Screen Display

A visual display on the TV screen will show which channel you have tuned to, or any adjustments to the volume or colour.

### Argos Personal Account

Spread the cost of a new television with an Argos Personal Account. See page 2 for details.

### Extended Guarantees

All our televisions have a 1 or 2 year manufacturer's guarantee, but for added peace of mind you can buy an Argos 3 or 5 year Extended Guarantee. We also offer Free Accidental Damage Cover. See page 3 for details.

## 1 5 SUPERSTORES ONLY

### GOODMANS HOME CINEMA ENTER ENTERTAINMENT PACKAGE

The Goodman's Home Cinema package has been designed to offer the highest quality home cinema entertainment system. It will connect all your video recorder, all your TV and connect all TVs which have either a SCART socket or audio-out or connection to your video recorder. The package also features the Goodman's Home Cinema surround sound system. This can only be used with a Dolby Digital video or Dolby Digital TV or satellite decoder, and will provide a new experience in watching pleasure with all round cinema the sound. The effect of this package is dramatic, providing a dark and deep sound from the movie, something which would be lost in a normal movie TV.

We have also provided sockets for connection to game machines, keyboards, CD players or any other hi-fi audio source.

- Two sets of speakers
- Master volume
- Built-in subwoofer
- Bass boost
- TSG wall mounts
- High volume control and memory
- Remote control (order 1 of 388 at £1.49 per 2)
- Connection for TV, video, satellite, games
- 2 x SCART to phono connectors provided
- Suitable for TVs up to 21" inch screen
- 2 x phono to phono leads
- Set 535/6433 at £199.00

Cat. No. 535/7234 **£199.00**

Your Guide to

# Video Recorders

All our VCRs allow you to record one programme whilst watching another. We also sell video players for watching pre-recorded videos, but these cannot be used for recording.

## Programming

VCRs are programmed to record by using a remote control handset. Many have a visual LCD panel on the handset or an on-screen display showing the details entered.

## Event Timer

You can programme most VCRs to record a number of events over a period of weeks.

## Twin Speed

A twin speed (or "long play") facility allows the VCR to record and then play back at half the usual operating speed. The on-screen image appears as usual, but the recording time of a tape is effectively doubled. This gives 3 hours of recording on a 6 hour tape, however the quality of the recording may not be quite as good as when recorded at normal speed.

## NICAM

NICAM is a high quality stereo sound signal. To receive the stereo signal, NICAM television and VCRs incorporate a NICAM receiver which picks up the signal through your existing TV aerial. A NICAM video recording must then be replayed through a NICAM or stereo TV to maintain the stereo sound.

## EXTENDED WARRANTY

All our VCRs have a 3-year guarantee, but for added peace of mind you can also take out an Argos 3 or 5-year Extended Guarantee.

We also offer FREE ACCIDENTAL DAMAGE COVER. See page 3 for details.

VCR 3 Year Guarantee 3 Year Extended 5 Year Extended  
£85.00 £135.00 £185.00

## Argos Personal Account

Spread the cost of a new VCR. See page 2 for details.

CD-i CD-i INTERACTIVE

Compact Disc Interactive (CD-i) is the all-in-one home entertainment system. You no longer have to sit back passively and merely watch TV. Now you can change what you see and hear and bring in your Compact Discs to play on the TV and listen to the music you want to hear. You can also play on the TV and listen to the music you want to hear. You can also play on the TV and listen to the music you want to hear.

Philips CD-i players are also high quality compact disc audio players and allow you to play your normal music compact disc as well as those CD-i discs which give you the ability to view your own photographs on your TV screen.

PHILIPS CD-i 50 CD-i POWER

**1** **LOBGEAR QUOTIX TV AERIAL** Aerial for all JIVE TV channels. Can be left or outside wall-mounted for best performance. Suitable for use with all types of television. Complete with all frings. 33 feet approx of cable and full instructions.

Cat. No. 535/6443 **£9.50**

**2** **LOBGEAR "TWO START" TV AERIAL** A high performance room aerial for quality UHF reception on all mains and portable TVs. B.E.A. approved. Manufacturer's 2 year guarantee.

Cat. No. 535/1589 **£6.95**

**3** **LOBGEAR "TWO START" TV AERIAL** Aerial with "multi point" TV amplifier to improve the incoming signal in poor reception areas. Ideal for all UHF TVs. Especially suitable for portable TVs where reception may differ from room to room. Designed to BS415 and BS5373. 240V AC mains. Manufacturer's 2 year guarantee.

Cat. No. 535/4191 **£19.75**

**4** **LOBGEAR "TWO START" TV AERIAL** A powerful booster to increase TV or Hi-Fi aerial signal power for improved reception. Easy to install. 240V AC mains. Manufacturer's 2 year guarantee.

Cat. No. 535/8924 **£14.75**

All electrical items on these pages that are supplied with a cable are fitted with a plug.

**Reception difficulties** A good TV aerial, correctly positioned, will improve a snowy picture and reduce ghosting. A signal booster will actively seek signals or supply several TV sets from one aerial. However, a signal booster on its own will not always resolve local reception problems, or cure ghosting. If you need this information on the aerial or signal boosters please phone the Lobgear Helpline on 0800 554431.

**5** **REINVENT YOUR TV'S SOUND**  
**REINVENT YOUR TV'S SOUND** for distributing TV/video FM and satellite receiver signals to 3 sets. Also increases signal power for improved reception. Easy to install. 240V ac mains. Manufacturer's 2-year guarantee.

# Car Audio

Please note: there are 2 types of car radio cassette. The latest DIN & will fit most cars built after 1981. DIN D will fit almost every car. Pre-1981 models may require an adaptor plate. Please refer to your vehicle specification manual.

**HILPLANE**  
 Basingstoke 0495 438346

 Harford 041 594 3363  
 NYC 081 450 3282  
 Roadstar 0734 340073  
 (over) 0871 5586 77336

We sell a wide range of car stereos. Many of the functions are similar to those on hi-fi equipment, additional features include:

## Radio

On 4-speaker systems you can adjust the sound balance between the front and back speakers.

## Auto Seek Tuning

The radio automatically seeks out the next strongest signal on a wavelength.

## Radio Data Systems (RDS)

RDS displays the station name and maintains your chosen station automatically when travelling through different reception areas.

## Extended Other Network (EON)

EON automatically interrupts your listening with travel bulletins when they are broadcast.

## Extractable Units

Some units are designed to be easily removed when you leave your car and then on return simply slot into place for play.

## Detachable Front Panel/Removable Security Panel

As an anti-theft device the front fascia panel of the unit is detachable and can be carried in pocket or handbag. When detached the unit becomes inoperable.

# Child Safety

At Argos we sell a wide range of safety products which can help give you that extra reassurance and peace of mind.

## Buying Toys

As your toddler begins to develop, there is a whole range of toys to buy. By following some key points you can make sure playtime is great fun for them as well as being safe.

- ▲ Always read the manufacturer's leaflet and retain for future reference.
- ▲ Make sure the toy is right for the child's age and ability - check the age recommendation before you buy.

- ▲ Keep older children's toys out of reach of young children and babies.

## Safety in the Home

The following pages show some essential items which can help you make your home safe for your baby. We have drawn up some key points in conjunction with **ROSFA**, the Royal Society for the Prevention of Accidents.

- ▲ Fit a safety gate at the top and bottom of the stairs and keep stairs and landings clear of toys.
- ▲ Use a baby monitor to keep in touch with your child around the home, but remember there is no substitute for supervision.
- ▲ Use a fireguard securely fixed to the wall wherever you have a gas, electric or open fire.
- ▲ Make sure the side of the cot is securely fixed when your child sleeps and use a ventilated mattress.

## Safety in the Car

When travelling by car there are certain points you need to remember to make sure the drive is safe as well as comfortable for your child.

- ▲ Check the child restraint is correct for the age and weight of your child and that it conforms to the appropriate British or European standard.
- ▲ Always read the manufacturer's leaflet as your child's safety depends on correct installation. If in doubt, check with your local Road Safety Officer.
- ▲ Check the child restraint harnesses each time you travel to ensure your child's comfort and security.

There is a wide range of child restraints which fit most car models on the following pages. Some child restraints may require fixing kits - check with your local dealer prior to fitting.

1 S £12.75

3 £19.25

**HELPLINE**  
For Britax car seat fitting information phone Britax Helpline 0264 333343  
Mon-Fri 9am-5pm, Sat 9am-1pm

- (1) Forward facing: 9 to 18kg (20-40lb) approx.
- (2) Rearward facing: 9 to 18kg (20-40lb) approx.

Rearward facing child car seats should not be used in a car fitted with an airbag on the passenger side.

For lap and diagonal belt and seat belt adjuster see page 413.

Your child car seats fit most car models. Some require fixing lugs, check with your local dealer prior to fitting.

Your child's safety depends on correct installation and proper adjustment of harnesses - follow manufacturer's instructions carefully.

**SAFETY**  
Filling materials and covering fabrics meet the requirements for resistance to cigarette and match ignition in the 1988 Furniture and Furnishings (Fire) (Safety) Regulations.

Head support cushions are available direct from the manufacturer on item nos 5, 6, and 8. Price £8.50 (inclusive of postage and packaging). Order form inside car seat pack.

Always choose toys that suit the age and ability of your child.

Some of the toys require assembly under adult supervision.

The Lion Mark is a symbol of Toy Safety and all Argos toys are tested for compliance with exactly the same approved safety standard.

It is important that young children are supervised by parents, especially in group play situations. It is recommended where stated that outdoor activity toys are permanently concreted into the ground.

# just why we are the premier incentives company in the U.K.

**O**ne of our clients recently had us blushing with pride. "If anyone can rest on their laurels," he said, "it's Argos Premier Incentives." "Thanks, but no thanks," we replied.

That's not false modesty. It's fact. Since 1979, Argos Premier Incentives have grown to become the UK's leading incentive and motivation company. Since then we have never stopped listening. We have never stopped learning. And we never will.

With pride – and a rare flourish of immodesty – we can say that the magnitude of our portfolio might just surprise you.

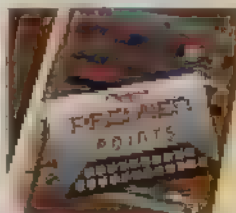

Open it and you'll find more than paper-based incentives such as Vouchers and Tokens. Our Premier Gift Collection catalogue, a first among so-called equals, is a showcase for the branded products we offer in merchandise-based

systems. And our Premier Points Card is acknowledged as the benchmark for all other electronic motivation schemes.

If anything can match our portfolio, it's our back-up service. We have access to some of the largest resources in the U.K. Our warehouse capacity, for instance, measures a formidable 2 million sq. ft.

While we're multi-faceted, we're also single-minded. Solutions are the last thing we think about – a clear understanding is the first. It is this approach which we have applied to blue-chip clients like Mobil, the Granada Group and Crown Berger Ltd. Our new brochure explains more. It demonstrates

our belief in the principle of 'digest first, suggest later'. And shows how, while we serve big companies with pride, we serve smaller names without prejudice.

A Division of Argos Distributors Limited

**673**

we've  
helped build  
customer  
**loyalty**  
with over  
20 million  
**Cards.**  
Point taken?

**T**he Argos Premier  
Points Collecting  
Card was the first ever  
electronic loyalty-building  
scheme.

To date we've  
issued over 20  
million Cards.

They've helped to increase market share for  
Mobil and they could do the same for you.

If customer loyalty is your number one priority, you should  
be taking on the UK's premier incentive company.

**Premier Points from**  
**Mobil**

### Easy to save at Mobil...

Every time you buy fuel at Mobil, Points are  
automatically stored onto your Premier Points  
Collecting Card.

There is no minimum purchase of £5 or £6 – and  
remember, every Point you save means more to  
spend at Argos.

### Easy to spend at Argos...

Spending Points at Argos is easy too. Just take your  
card or cards to any Argos cashier who will convert  
them into a cash value. Pay with Points alone or top up  
with cash or any other accepted method of payment –  
the choice is yours. For more details pick up a leaflet at  
your nearest participating Mobil Service Station.

# COMMITTED TO QUALITY AND SAFETY

We want you, our valued customer, to have total confidence in the Safety, Quality and Reliability of every product purchased from Argos.

All Argos products are guaranteed against manufacturing defects for a minimum of 12 months. In those instances where the manufacturer's warranty extends beyond 12 months we will of course honour the terms of the manufacturer's guarantee.

(See separate note on our After Sales Care policy on page 676.)

Our Quality Assurance Department ensures that all Argos products which are governed by strict Safety Regulations are tested to establish compliance with such regulations. In most cases the tests will be carried out by independent laboratories.

Particular attention is given to both Nursery and Toy products, and all Argos toys are tested for compliance with exactly the same safety standards as those governing the Lion Mark, which is a recognised symbol of toy safety.

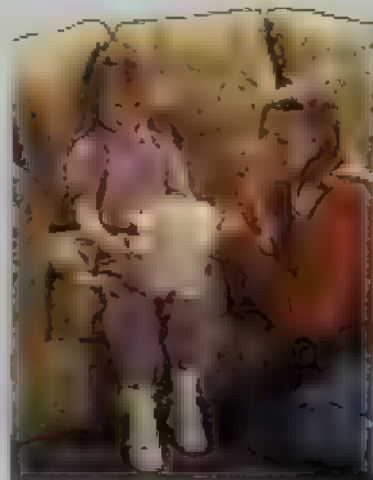

All Argos toys are tested for compliance with EC Safety Regulations which is signified by the "CE" mark on all our toy products.

All our electrical products, where appropriate, are now supplied with a pre-fitted plug. Look out for the fitted plug symbol on the relevant pages.

All the glass employed in the manufacture of our Furniture products is constructed to minimise the risk of serious accidents. All our upholstered furniture is manufactured to comply with Safety Regulations, which includes both match and cigarette ignition tests.

## Upholstered Furniture Selection Centre

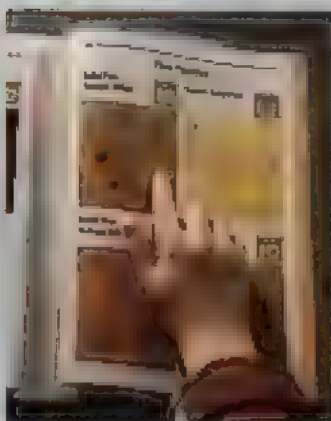

To ensure that the item you order is exactly what you want, please see our Upholstered Furniture Selection Centre in your local Argos store for fabric samples used in the manufacture of our furniture, as well as product specification.

## Wood Colour Guide

You can also check the colour of our wood and wood effect furniture by using the Wood Colour Guide located at the back of the Selection Centre book.

# AFTER SALES CARE

## The Argos Promise

See page 2 for details of the Argos 16-Day Money Back Guarantee.

If a product develops a fault within the first 30 days of purchase we will offer you the choice of an exchange or a full refund.

If a product develops a manufacturing fault after 30 days of purchase and within a year from the date of purchase we will have the item repaired for you **Free of Charge**.

In those instances where the manufacturer's guarantee extends beyond one year we will of course honour the terms of that guarantee. Most repairs are normally carried out within 16 days.

In either of the above cases simply return the item with your proof of purchase to your nearest store.

Please note: all the accessories originally supplied with the product must also be returned.

Many electrical appliances can also be serviced in your home or on-site please ask in-store for details.

Argos supports the guidelines for guarantees set by the British Retail Consortium, and we are committed to ensuring that our After Sales Care policies are offered in addition to your statutory rights (which remain unaffected).

## Extended Guarantees

We offer Extended Guarantees on a range of electrical products plus **FREE FIRST YEAR ACCIDENTAL DAMAGE COVER**. See page 3 for further details.

# DELIVERY SERVICES

To make shopping at Argos even easier and more convenient, we offer the following delivery services

## Free Home Delivery Service

■ Anywhere in Great Britain and Northern Ireland (but excluding The Channel Islands, Isle of Man, Orkney, Shetland and the Western Islands).

■ Delivery normally within 14 days.

■ Order in-store or by telephoning ARGOS DIRECT FREE LINKLINE (see below). We operate the Free Delivery Service on items which

are too large or heavy to stock in our stores, delivering them free of charge direct to your home. These items are marked by the red lorry symbol and are not available for collection from any of our stores.

## Free 3 Day Home Delivery Service

We are able to deliver certain items (only those marked by the 3 day red lorry symbol) on a fast delivery service, three working days from the date of order (except in the excluded areas listed above).

## Free Delivery and Installation on Selected Computers

Our Free Home Delivery on

selected computers also includes unpacking and setting up in the home. See page 131 for more details.

(We regret that this offer is not available in the Channel Islands, Isle of Man, Orkney, Shetland or the Western Islands.)

## How to Order

You can order any of the items covered by Free Home Delivery at the Customer Services area in our stores, or you can order by telephoning the ARGOS DIRECT FREE LINKLINE anytime between 8.00am and 10pm, 7 days a week giving your order and credit card details. Once you place an order, we will contact you to arrange delivery. Delivery will normally be within 14 days, unless otherwise indicated in the item description or at the time of ordering.

To ensure delivery before Christmas, please place your order before 17th December (3 day service) or 7th December (14 day service).

**Argos**  
DIRECT

**0800 427467**  
FREE LINKLINE

**678**

**PLEASE NOTE:** The 0800 Linkline number can only be used for placing orders for items marked in the catalogue with a red lorry symbol. When ordering you will be given an alternative number for any other queries.

## Superstore Delivery Service

■ Deliveries anywhere within 20 miles of any Argos Superstore.

■ One small delivery charge covers as many catalogue items as you wish to order (excluding those delivered

free by Argos Direct).

■ Order by telephone or in-store.

## Free Delivery and Installation on selected TVs\*

As an extension to our Superstore Delivery Service, we also offer FREE DELIVERY AND INSTALLATION on all large screen televisions \*(20 inch and over) and VCRs from any Argos Superstore.

Installation is to an existing electrical socket and adjacent aerial point. This offer applies within a 20 mile radius of any Superstore (mainland only).

See page 499 for more details.

## How to Order

You can order by telephoning the Superstore during normal working hours, just giving your order and credit card details. Or you can arrange delivery when you order in-store (see over for your nearest Argos Superstore and telephone number).

## Argos Gift Vouchers

If you want to take care of a birthday, anniversary or any other special occasion, an Argos Gift Voucher could be the answer. Vouchers are also ideal for incentive and promotional awards (see page 673). Please note that Gift Vouchers cannot be exchanged for cash.

£1 Cat. No. 888/0105 £10 Cat. No. 888/1001  
£5 Cat. No. 888/0507 £20 Cat. No. 888/2000

## Save £££'s at Argos with Premier Points

ANY POINTS • ANY ITEM • ANY STORE

Many Argos customers are already collecting Premier Points and using them to save £££'s at Argos.

■ You can collect Premier Points when you buy petrol or diesel fuel from Mobil Service Stations, and when you stay at any Friendly Hotel.

■ Points can be redeemed at any Argos store. A full card is worth £5 but there is no need to wait, you can redeem any value of points at any time.

■ Simply present your Collecting Card(s) to the cashier when making a purchase of one or more items from the Argos catalogue\*. You can add to your Points value with any other method of payment accepted at Argos stores.

For full terms and conditions ask in any Argos store, participating Mobil Service Station, or Friendly Hotel and start saving today. \*Excludes any telephone or mail order services.

This catalogue is valid until the launch of our Spring/Summer 1995 catalogue and supersedes all previous catalogues.
